To The Clerk of Court. Case Worker: Susan Ramsey Law

Please add Stonemill HOA to the list of creditors in this action. I have notified them numerous times that I have been in ^{open} Chapter 13 cases with some still pending. But they do not acknowledge so I am adding them so they understand. (apparent violation, breaking reentering, self help evictions at 5910 Chadwick Ct) physically I do not have the ability to come all the way to Richmond, right now to upload one ^{creditor} case so I am writing to ask & request that the case manager to type in the addition of Stonemill HOA to the list of creditors. Since case 1735566 is pending on Appeal in the 4th Circuit, please add Stonemill HOA to case 1735566 (able too) as well. The Property Management company is First Service Residential, they work for Stonemill HOA.

Thank You
